2nd February 2018

Dear Parent/Carer

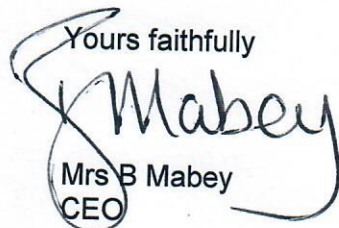

I would like to introduce myself, my name is Jayne Hill and I am the Trust Catering Manager for Washwood Heath Multi Academy Trust. I'm not sure if you are aware that the Academy has taken the catering in-house from the 1st January 2018. We are looking to improve our service to our students, therefore we are looking at our suppliers with regards to our Halal provision at both Washwood Heath Academy and Saltley Academy which are Halal kitchens.

Our current Halal meat supplier is HMC (non-stun) but we have the opportunity to use a supplier who provides Halal meat HFA (stunned).

The Trust wishes to seek your views as to your preferred option for our students.

Please return the form below confirming your preference.

Yours faithfully

Mrs B Mabey
