15th November 2018

Dear Parents/Carers

I am writing to remind you of some key dates.

Working with parents is very important for us as we work together to help the children be successful. We ran a very well received parental workshop in the summer and are repeating the sessions this term.

The Year 9 Parental Workshop is this Thursday (15th) at 3.30pm.

The Year 11 Parental Workshop is at 4pm, with a re-run at 5pm, on Thursday 22nd November.

We look forward to seeing you at these important events.

This Friday we will be supporting BBC Children in Need. Students may donate £1 to wear a spotty or yellow item. There will be other ways for them to support this excellent charity on the day. Please note that other than their one item, it is a normal school day with normal uniform.

School will be closed for staff training on Friday 30th November and Monday 3rd December.

This term ends on Friday 21st December at approximately 12:00pm midday.

Thank you for your continued support.

Yours sincerely

Mr P Weir
Head of Academy
