

CPR Training

Some of our students at Saltley Academy have been taught a potentially life-saving skill by their peers. Our students had voted in the national Youth Parliament Vote, for First Aid to be taught in school. Article 12 states that every child has the right to express their views, feelings and wishes in all matters affecting them, and to have their views considered and taken seriously. As duty-bearers, we were able to make sure that our students' views were taken into consideration.
